Rules for Performance Artists

Manakin Market welcomes local musicians and other performers to enhance the market atmosphere. We strive to support local farmers and also seek to provide a pleasant venue for local artists. Please read the rules and procedures carefully.

Rules for Performers:

- 1) Live performances only (no recordings).
- 2) Artists must provide their own amplification (management will provide electricity and extension cords, if necessary). Management reserves the right to ask artists to adjust the volume of the music.
- 3) You may solicit tips by displaying a bowl, hat, instrument case or other receptacle, but not by actively asking for tips or passing around a tip jar.
- 4) You may offer for sale **only** your own recordings (no re-selling).
- 5) Any performer using foul or offensive language within the context of their performance will be given one warning and upon a second offense, will be asked to leave immediately (this is a family-oriented market).
- 6) Interpretation of rules is at the discretion of the Market management.
- 7) Artists are scheduled to perform from 10:00am – 1:00. You should be expected to arrive in plenty of time to set-up before 10:00am.

While the Market management may make efforts to accommodate performers who arrive on a Market day prepared to perform but who have not contacted Market Management in advance, Market management reserves the right to deny your request to a same-day performance.

Performers are strongly encouraged to schedule performance dates well in advance. If you are interested in scheduling a performance date, contact:

Lisa Dearden, Market Manager 804-314-9141 or email manager@rvagriculture.org

Market management may ask you some questions to gauge your potential compatibility with the Market atmosphere, and, pending any conflicts, will schedule you on an available Market day for a time slot that is mutually convenient. You must contact Market management as soon as possible if you need to cancel or reschedule such that s/he can recruit another artist.

Each performer will be compensated with \$20 in Market Bucks, which can be spent at the market on any item at any vendor's booth. Market Bucks do not have to all be redeemed on the same day!

"I am aware of U.S. Copyright Law and fully respect its authority with regard to the playing of live music. I hereby certify that any music played at My Manakin Market is of my own authorship or in the public domain."
